

# ABW Infrastructure Limited

Dear CoC Members,

We proposed a physical meeting on 27th January 2024 at 4.00 PM vide WhatsApp Message dated 23rd January 2024. However, due to non-availability of proposed Investor-cum-Contractor and Legal Counsels and due to long holiday weekend, we propose to postponed this meeting to Sunday, 04.02. 2024 at 3.00 PM at the same venue.

Meanwhile, as an update, Investor-cum-Contractor have visited the sites including Architect and Team. They gone through all the papers and shown their interest to start Verona Hills Project. We have already scheduled a meeting with all the collaboration partners viz. Landlord, Licensee and other professionals engaged who have detailed information to apprise facts of the projects.

The Investor-cum-Contractor have also made efforts by visiting the office of DTCP and extracted factual details about compliances need to be done before resuming construction. The Land Lords/Owners agreed to meet on 23rd Jan.'24, but due to sudden health trouble and hospitalization of father of one of the Landlord, the meeting is postponed.

In view of the above, we are quite hopeful that the Collaboration Partners meeting with the proposed Investor-cum-Contractors will happen in the coming week and we will update you all in physical meeting to be held on 4th February 2024.
